(c) "Ticket validation number" means a unique number appearing on each ticket which is used to validate winning tickets. For this instant game, the ticket validation number is an 11-digit number which appears under the latex covering on the front of each instant ticket.

(d) "Book-ticket number" means the unique number appearing on each ticket which includes the number of the book from which it was removed and the serially assigned number of the ticket within that book. For this instant game, the book-ticket number is an 8-digit number followed by a dash and then a 3-digit ticket number. The ticket numbers in each book start with 000 and end with 149. The book-ticket number is printed in black ink on the back of each instant game ticket below the bar code.

(e) "Retailer validation code" means the small letters found under removable covering in the play area of each instant game, ticket. The retailer uses this code to verify and validate winners which are to be paid by the retailer. In this instant game, the retailer validation code is a three-letter code printed and appearing in three of eight varying locations among the game symbols in the play area. The codes and their meanings are as follows: TWO - \$2.00; FOR - \$4.00; FIV - \$5,00; TEN - \$10.00; TWL - \$12.00; TWY - \$20.00. TRY - \$30.00; FRY - \$40.00; HUN

111-4-668. Determination of instant prize winners. An instant prize winner is determined for this instant game when the player removes or "scratches off" the removable layer of material covering the play areas entitled "YOUR NUMBERS" AND "LUCKY NUM-BERS," to reveal the game symbols and captions in the play area. If any of the ten numbers under the "LUCKY NUMBERS" area matches either number in the "YOUR NUMBERS" area, the player wins the amount shown directly under the matching number or numbers in the "LUCKY NUMBERS" area. Should the "WILD" symbol in the form of a star appear in the "LUCKY NUMBERS" area, the player automatically wins the amount under the star. A player can win up to ten times on a single ticket. (Authorized by K.S.A. 74-8710(b), (c) and (i); implementing K.S.A. 74-8710(b), (c) and (i) and 74-8720(b) and (d); effective, T-111-12-19-94, Dec. 15, 1994.)

# Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted at 8:30 a.m. Tuesday, February 7, in Room 108 of Landon State Office Building, 900 S.W. Jackson, Topeka, to consider the adoption of proposed rules and regulations of the Division of Personnel Services.

This 30-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed rules and regulations. All interested parties may submit written comments prior to the hearing to the Secretary of Administration, Room 263-E, State Capitol, Topeka 66612. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulations during the hearing. In order to give all parties an opportunity to present their views, it may be necessary to request each participant to limit any oral presentation to five minutes.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulations and economic impact statements in an accessible format. Requests for accommodation should be made at least five working

days in advance of the hearing by contacting Faith Loretto at (913) 260-6000 or TTY (913) 296-4798. Handicapped paring is located at the south end of the Landon State Office Building and an accessible entrance is available at the north entrance.

The following new regulations are proposed for adoption: K.A.R. 1-2-20, Commercial driver position; K.A.R. 1-6-33, Applicant alcohol and controlled substances test for commercial driver positions; K.A.R. 1-9-25, Alcohol and controlled substances test for employees in commercial driver positions; and K.A.R. 1-9-26, Pre-duty alcohol and controlled substances testing for employees in positions assigned commercial driver functions. These regulations establish an alcohol and controlled substances testing program for commercial drivers positions subject to Federal Omnibus Transportation Employees Testing Act of 1991, 49 U.S.C. Appx. § 2717. The regulations set out requirements for applicant testing, postaccident testing, reasonable suspicion testing, return-toduty testing, and follow-up testing. The provisions of federal regulations relating to alcohol and controlled substances testing of commercial drivers (49 C.F.R. Part 382 and Part 40) are adopted by reference. In addition, the regulations include provisions relating to notice and provision of information regarding the program to affected applicants and employees, confidentiality, and consequences for positive tests or other violations of the federal regulations.

The total combined annual cost to all state agencies with commercial driver positions for the drug and alcohol tests is estimated to be \$66,146. This includes testing of applicants, post-accident testing, return-to-duty testing, reasonable suspicion testing and random testing for 2,072 commercial driver positions in the state. In addition, employees in commercial driver positions who test positive will be responsible for the cost of any treatment programs not otherwise covered under their health insurance plan. Private citizens may benefit from implementation of these regulations as the testing program is intended to reduce the incident of alcohol and drug-related driving accidents.

Copies of the proposed regulations and the associated economic impact statements may be obtained from the Division of Personnel Services, Room 951-S, Landon State Office Building, 900 S.W. Jackson, Topeka 66612, (913) 296-4278.
